

International Mobility Support

(for CIMI members)

CIMI will provide international mobility support to CIMI members going abroad as part of a scientific project/collaboration.

Any funded visit abroad should be at least one month. Several stays and destinations can be considered. This funding is open to any member of CIMI: PhD students, researchers, faculty staff.

We encourage the applicant to provide invitation letters and other financial support from the host institution.

Requested Information

Project Title & Applicant:

Part I. Brief summary of the project/collaboration (10 lines):

Part II. Detailed general information:

- Applicant (name, email, institution, situation)
- Period of time, location and duration of the stay abroad
- Financial support information / previsual budget

We encourage the applicant to ask for co-funding (and to mention it explicitly) to the host university or to other institutions. In particular, PhD Students have to justify of a co-funding of the visit by their Doctoral School or team.

Part III. Full description of the project:

Around two pages for the scientific description of the collaboration to be developed during the mobility

Part IV. How is the project in line with CIMI goals:

- Interactions between mathematics and computer science if any
- Expected outcomes and international impact for the community

Part V. Attachments:

- 1.
- 2.
- 3.
